OVERVIEW

Hunter Business Golf Group (HBGG) is a group of Business people from all different industries who participate in professionally organised midweek golf events every 4 to 7 weeks at some of Australia's finest Golf Courses.

The corporate and individual membership packages are open to business people of all golfing standards with or without an official golf handicap. If you do not have an official golf handicap we will issue you with a HBGG one after the completion of a scorecard at your first event.

Each HBGG member is allowed to invite up to three guests / clients at each event with or without an official golf handicap. Guests of HBGG members are entitled to play just one event whilst not a member of HBGG. We do encourage members to network within the HBGG and to have different partners at each event although you are most welcome to choose your own playing partners.

A schedule of events is following for your perusal which includes the finest golf courses within our region.

Costs associated at each event will vary depending on the venue and the catering on the day. A typical event with HBGG should cost between \$100 - \$175 and will include;

- An event manager to oversee all aspects of the day
- Registration Morning Tea
- 18 Holes of Golf including a cart where possible
- Packaged Lunch
- Presentation at completion of round including prizes
- A quick meal at presentation

Whilst we encourage full participation there is no obligation to play each event or a minimum number of events.
