## OVERVIEW

**Sydney Business Golf Group (SBGG)** is a group of Business people from all different industries who participate in professionally organised midweek golf events every 5 to 7 weeks at some of Australia's finest Golf Courses mainly around Sydney.

The corporate and individual membership packages are open to business people of all golfing standards with or without an official golf handicap. If you do not have an official golf handicap we will issue you with a SBGG one after the completion of a scorecard at your first event.

Each SBGG member is allowed to invite up to three guests / clients at each event with or without an official golf handicap. Guests of SBGG members are entitled to play just one event whilst not a member of SBGG. We do encourage members to network within the SBGG and to have different partners at each event although you are most welcome to choose your own playing partners.

A schedule of events is following for your perusal. You will note that the list has been carefully selected to offer some of the finest courses Australia has to offer, including six (6) courses in the top 100 Australian Golf Courses.

Costs associated at each event will vary depending on the venue and the catering on the day. A typical event with SBGG should cost between \$125 - \$175 and will include;

- An event manager to oversee all aspects of the day
- Registration Morning Tea
- 18 Holes of Golf including a cart where possible
- Packaged Lunch
- Presentation at completion of round including prizes
- A quick meal at presentation

Whilst we encourage full participation there is no obligation to play each event or a minimum number of events.
